It's finally happened!!! "The REVOLUTIONARY BREAKTHROUGH"!!! Coastal Carolina College will, by August 24, 1987, have its very own dormitories. This has been called the most extraordinary thing that has ever happened to Coastal.

Groundbreaking ceremonies were first scheduled for October 17 but due to certain logistical problems at the main campus in Columbia, it was changed to October 30, 1986 at 11:30 am.

Campus Union threw the campus its very own "GROUNDBREAKING PARTY." Due to the change in the dates of the groundbreaking ceremonies, the party was still held on October 17, 1986. The Agents played and refreshments were served.

The coming of new dorms brings on a whole new aspect of college life for Coastal Carolina College with the hiring of resident assistants, more maintenance personnel and a Director of Residence Life. Our administration as well as all other branch administrations of the University are excited.

Everyone's ecstatic about everything and the spirit of Coastal is at its highest peak.

NEW ARRIVALS

Orientation is one of the most exciting and innovative events to take place in the life of an incoming freshman. Upon the student's arrival at orientation, he is immediately registered and assigned to a special group. In these group sessions,

he becomes acquainted with his Orientation Assistant, who then provides him with general information about the college and its various rules, regulations, and opportunities. There were ten (10)

orientation assistants this year. They were Connie Vermont, Julie Prince, Mark Porter, Debbie Hucks, James Green, Rencee Ard, Tim Southern, Tracy Reed, Jason Sprankle, and Ebbie Gore. All

ten (10) of these are student leaders with exceptional GPR's. There were a series of five Orientation Sessions this year, all deemed successful.

MASCOT

"Thumb Up for Coastal" and "Student involvement" have been two of the most quoted phrases at Coastal Carolina College during the 1986-87 academic year. These two phrases were definitely put to use when the Coastal Carolina College Cheerleaders purchased a new mascot costume. The new costume cost approximately \$200.00 and was hand made by a tailor in Conway. Greg Hamlin, a Sophomore, was the mascot for the 1986-87 school year.

The mascot, unlike past years, attended several school events — The Welcome Back Dance, The Freshman Mixer, Activity Day, Soccer Games as well as basketball games and school supported fundraisers. Greg Hamlin has done an excellent job endorsing school spirit and should be commended for a fine job.

JUST STARTIN'

How far had we come from the night of Nov. 17, 1980, Paradise run by a tiny one-person local long years of a board that had only just gone toward becoming a five-member board. President, Robert Johnson, together with fellow members and officers, had traveled from their own 100 miles of the community, as well as other local members, present at the 1980 year. Lines stretched toward their cars. The group gathered in James Brady, who was president of the board. Bryan Jones, as the board president, and was present, as well as the board. With confidence, we had the reputation of a good board, the members and the long...

Coastal Is Number One '86

"COASTAL IS NUMBER ONE"

What is the most celebrated holiday in this history of Coastal?

After a long year of hard work, students need to have a day where they can just lay back and enjoy the good life. Well this is what CINO Day is all about. Every year in the Spring, Campus Union Sponsors the event bringing in live bands, disc jockeys and lots and lots of food. This year was no exception. The Producers played top forty music and a disc jockey played hits as well. Hot dogs and potato chips were served along with ice-cold beer. That's really what everybody comes for. Overall,

CINO Day 86 was a success and everyone is looking forward to an exciting 87.

MILLIONS OF DEAD MULLETS

The Freshman Student Mixer, sponsored by the Student Government Association and Campus Union on Friday, September 5, 1986, started the Fall Semester off on the right track. Approximately 600 students and faculty enjoyed the free food and drinks at the Student Center overflow. The featured entertainment was provided by "A Million and One Dead Mullets." Freshmen were given an excellent opportunity to make new friends and mingle with the returning students. The activities gave everyone more enthusiasm and spirit for the toils of the upcoming semester.

WELCOME BACK!!!

The fall of 1986 was off to a great start with the "Welcome Back" dance on September 12th sponsored by Campus Union. The dance took place at the Convention Center lasting from 8 pm until 1 am, featuring "The Maxx." The live band played a wide variety of music and the dance floor was filled with couples.

EGYPTIAN PARKING

"I can't find a parking place," "I had to walk a country mile to my first class this morning because I had to park half-way across campus," "My car got towed because I parked on the drive in front of the college instead of a legal parking place," and "I got a ticket for parking in a handicapped parking place because I didn't want to park in Egypt"!!!! These are only a few of the famous phrases said by students (these are also some of the only decent phrases said by students) when the subject of parking comes up. Yes, everybody knows that parking is a problem at Coastal. Although students think that parking is a problem at Coastal it really isn't. Students are failing to use the overflow parking that is located out by the football field. Yes, it would mean that they would have to walk an extra two or three minutes to class but exercise never hurt anyone. If students would realize that the overflow parking area is for students then a lot of the hassles students go through every day would be eliminated.

NEW ADDITION

Coastal Carolina College is growing in an excess of 10% each year student-wise. The growth of the buildings is doing just as well. The newest addition to Coastal Carolina College was completed in 1985-86. It was the newest addition to the gym which resulted in modern dance rooms, handball courts, an olympic size swimming pool fully equipped for the handicapped, men and womens locker rooms, basketball courts and more office space. The new addition is definitely the most modern feature of Coastal and will definitely be used by most of Coastal Carolina College students.

ACTIVITY DAY

October 1, 1986 marked the day of Coastal Carolina College's Activity Day. This event is held annually to introduce Coastal students to the many clubs available to them. Each club is allowed to set up a table or booth in order to provide information on their membership requirements and their activities. Entertainment was provided by the Killer Whales and the Coastal Carolina Concert Choir. Students were able to mingle among themselves, enjoy free food served by the Business Club, and sign up for clubs. Activity Day was deemed a success by the various clubs who were able to recruit many new members.

ATHENEUM

86-87

Determined to produce a number one, top quality yearbook, the yearbook staff set out in August of 1986 on a \$16,000.00 project. In August of 1986 the yearbook staff had no idea what headaches they had ahead of them. Some of these headaches were having photographers in the right place at the right time, doing the same quad-pak ten times, recropping pictures ten times, spilling pepsi on the only club pictures available, and staying up until 5:30 in the morning proofing, proofing, proofing and reproofing. But when it came down to that last quad-pak, believe us, the yearbook staff — IT WAS WORTH IT!!!

86-87

The Chanticleer is Coastal Carolina College's newspaper, published and produced by the students. Established in 1962, it has proven to be a great success. The Chanticleer contains information important to both students and faculty. Each issue is informative and valuable to not only the individual, but to the campus as a whole. Under the direction of Richard Weldon, the Chanticleer has reached many summits. It has been said more than once that this year's editions of the Chanticleer are the best ever.

The Archarios, successfully produced by Paul Orr is published annually and distributed free among the students of Coastal Carolina College. The ARCHARIOS is hoped to be entered in the South Carolina Press Association competition next year.

SIGMA PHI EPSILON

Sigma Phi Epsilon is Coastal's only national social fraternity. Helping young men develop character through virtue, diligence, and brotherhood is the major goal of the Sig-Eps.

As one of the most active groups on campus, the Sig-Eps sponsor many annual events including a Halloween Party, Founders Day Banquet, camp-outs, Heart Fund drives, and a Homecoming Parade. For those interested in joining Sig-Eps, rush is held at the beginning of each semester.

SOUTH CAROLINA STUDENT LEGISLATURE

South Carolina Student Legislature is a group of young college men and women from the student bodies of all the public and private colleges and universities in the state.

They pass legislature onto the General Assembly of South Carolina in which they pass during the Fall. The Governor elect for the 1986-87 year is Coastal Carolina's very own Steven Neeves. He was elected at the Fall Session of South Carolina Student Legislature during their thirtieth anniversary. This is an honor for Coastal Carolina College as well as Mr. Neeves. Spring Session is also held sometime in April where amendments are added to the constitution. This has been an outstanding year for the Coastal Carolina chapter of South Carolina Student Legislature.

Steven Neeves — Governor of South Carolina, Terry Barnette — Advisor, Paris Pope — Chairman.

Members: Standing, Left to Right: Jason Sprinkle, Anita Stratton, Mark Porter, Karen Allen, Gordon Mayfield, Kevin Richardson, Steven Neeves, Kneeling, Left to Right: Brian Stone, Terry Barnette, Paris Pope and Pam Muise.

STUDENT MEDIA COMMITTEE

MEMBERS:

Patricia Singleton — Chairman

Richard Weldon — Editor

Mark Porter — Editor

Paul Orr — Editor

Joan Piroch — Advisor

Linda Schwartz — Advisor

Jack Riley — Advisor

Glenda Sweet — Advisor

Sally Hare — Faculty at Large

Jill Kidd — Student at Large

Kathy McPherson — Public
Relations

The Student Media Committee serves as an advisory body to the Dean of Student Development and, deriving its authority from the Board of Trustees of the University of South Carolina, is ultimately responsible to the Board of Trustees through designated College officials. Those publications and communications media which receive funds by allocation from student funds come under the preview of this committee. These are: *The Chanticleer* (newspaper); *Atheneum* (yearbook); the *Archarios* (literary magazine); and such other publications and communications media as otherwise may be authorized.

PANEL OF PRESIDENTS

The Panel of Presidents is a committee of all Presidents of active organizations on the entire campus. This includes the Executive Board of the Student Government Association and all Class Presidents. The major goal of the Panel of Presidents is to discuss major topics of the campus in general. This year's main topic was the institution of new dormitories. This was truly a controversial issue. This is a committee with which the Chancellor tries to communicate as much as possible.

CAMPUS UNION

Campus Union is the programming board for Coastal Carolina College. It is without a doubt, one of the most important organizations on campus.

The absence of Campus Union would leave the college void of dances, movies, coffee houses, nooners, and of course,

CINO Day. It is the responsibility of Campus Union to plan all the events for the college. Twenty-five dollars of the tuition of each student is allocated to pay for the activities that Campus

Union sponsors. Because of this allocation, each student is automatically a member. In order to become a voting member, a student must attend three consecutive meetings. Campus union also co-sponsored the Miss Coastal Carolina College Pageant this year.

SGA

The Student Government Association conveys student opinion to the college Administration, and the students, and shares with the faculty and administration the governing of the college. SGA is composed of four executive officers; President, Vice President, Secretary and Treasurer. The remainder of the governing body is composed of all class presidents, two class representatives and a representative from each recognized student organization on campus.

The majority of SGA's time is spent solving student problems and engaging in debate, discussion, and resolutions over important aspects of student life.

The Student Government Association is in charge of the Freshman Mixer, the Service and School Spirit Award, and the reception after the Honors Convocation awards. SGA provided the students with coffee and donuts during exams. SGA is definitely the "right" connection between students and faculty.

Executive Officers: Left to Right: Treasurer — Brian Stone, Secretary — Aniza Rowe, Vice President — Tim Carlisle, President — Jason Sprankle.

YEARS OF DEDICATION . . .

Pat Singleton

This edition of the Atheneum is dedicated to Patricia Singleton for her fine continued contributions to Coastal Carolina College. Pat began at Coastal as a student in 1971 and graduated from Coastal with a degree in Social Psychology. During her student life at Coastal she was very active in clubs and organizations. Some of these include the Compass Club, Sports Editor of the Atheneum, member of the Coastal Carolina Concert Choir and Ensemble, member of Afro-Am, Young Democrats, Campus Union, Sigma Delta Phi, Coastal Klowns and PEM Club. She received in 1974 the Faculty General Excellence Award. She was 1st runner-up in the 1974 Homecoming Court, 2nd runner-up in the 1971 Miss Coastal Carolina College, and was the 1973 May Queen. She has been working at Coastal since 1979 and is presently the Director of Student Activities. Whenever the yearbook staff decided to dedicate the yearbook to some dedicated faculty or staff at Coastal the decision was unanimous. Pat Singleton definitely makes Coastal Carolina College a better place to be!!!

CHANTS OFF TO BEST START SINCE '82 . . .

The men's basketball team was off to their best start this year since 1981-82 when the Chants opened the season with eight straight wins and finished with a 21-9 mark.

The Chants captured the Pepsi Sertoma Tip-Off Classic in Conway rolling over St. Francis-NY (61-49) and Maryland-Baltimore County (66-45). All-Big South Selection William Calvin was named the MVP of the tournament after scoring 13 points and grabbing 9 rebounds against St. Francis and adding 19 points and 18 rebounds in the championship game. His 18 rebound performance was only two shy of the school record set by Frank White in 1976.

Coastal made it three in a row with a 92-66 thrashing of Mount Olive College in Kimbel Gymnasium. Ricky Rutherford scored 18 points and Derek Wilson grabbed 10 rebounds to lead the Chants to their biggest margin of victory in 1986-87.

Point guard Ricky Rutherford was named the MVP of the Merrill Lynch Classic in Orlando, Fla. after the Chants defeated Long Island University (78-53) and the host school Central Florida in the finale by a 72-68 margin. Rutherford averaged 19.0 points and 4.5 rebounds per game while adding 9 assists and 6 steals to gain the honor.

Our Chants defeated Alabama State (79-64) in the first round of the McDonald's Zip Classic in Akron, Ohio before being nipped by the host Akron "Zips" in the championship game (66-61). The game was knotted at 61 before Akron connected on a three-pointer in the final seconds and added two free throws after the Chants were called for an offensive on the final in-bounds play.

WOMEN'S BASKETBALL MOVES TO NCAA I...

The USC Coastal Carolina Lady Chants stepped into a new era of women's basketball this season. The 1986-87 squad competed for the first-ever Big South Conference crown, while competing against the toughest schedule of competition in the school's history as they made the jump from NAIA to NCAA I this year.

"We lost four senior starters from last year's team, so 86-87 will definitely be a rebuilding year for us," emphasized first-year head coach Regina Markland as she condensed the outlook for the Coastal Carolina Lady Chants.

REGINA MARKLAND

Regina Markland begins her first year as head coach for women's basketball.

The Asheville NC native received her B.S. degree in Physical Education at Appalachian State University in 1979 and earned her Master's in the same field at UNC-Greensboro this year.

She comes to Coastal with over five years of coaching experience at the college and high school levels.

CHANT BOOTERS CAPTURE BIG SOUTH CROWN!

The USC Coastal Carolina soccer team defeated the two-time defending Cambell Camels 1-0 in overtime in the Buies Creek, N.E., to capture the Big South Conference Championship. The Chants had entered the tournament as the number one seed after compiling a 6-1 conference mark. Head Coach Paul Banta's squad had advanced to the tournament finale by defeating Armstrong State in the opening round by an 11-0 score and Radford University in the semi-finals by a 5-2 tally!

[illegible]

Sigurdur Sveinbjornsson became the all-time leading scorer for Coastal with 106 points as he became only the second player ever to surpass the 100 point mark. He topped Brian Knoess, who scored 101 points from 1978-1981, for the number one spot. Sveinbjornsson also tied his own record for assists in one game with seven against Armstrong St.

Five Chants were named to the all-tournament team. Claud Huggins, Sigurdur Sveinbjornsson, David Skulason, Patrick Nolan and Karl Hjalmarsson captured the honors, while Huggins was named the MVP.

CROSS COUNTRY . . .

Growing and getting better? You bet! This year our men's Cross Country team tied for third place in the Big South Conference! KEEP UP THE HARD WORK!!

In the fall of 1984, the Conway native led the Buccaneers to a 6-5 record and the highest national ranking in the program's history! ETSU was ranked 13th in the nation in a poll of NCAA 1-AA football teams after the first five weeks of the 1984 campaign!

Shown here is a carpenter working on our new basketball court.

ANNOUNCING THE 25th GOVERNMENT ASSOCIATION

ANNIVERSARY OF THE STUDENT AT USC COASTAL CAROLINA 1962-1987

CAMPUS UNION CONGRATULATES THE GRADUATES OF 1987

“When will the Welcome Back Dance be?”, “What time should the dance begin?”, “Will there be a band or d.j.?”, “Beer or no beer?”, “When is CINO Day?”, “What decorations should we use?”, “When are the Campus Union Meetings?” Now that’s an easy question to answer! Campus Union Meetings are held every Wednesday at 2:00 p.m. in the Student Center room 205. Campus Union is “students working for students.” Approximately 1½ percent of each student’s tuition is given to Campus Union. This is why every student is automatically a member. Three consecutive meetings entitles a student to voting privileges. Meet famous people from Saturday Night Live, Johnny Carson, The Joan Rivers Show and David Letterman. Campus Union deals with agents and businesses all over the continental United States. So if you’re looking for adventure, travel, worlds of experience and most of all FUN then Campus Union is the place to be on Wednesdays at 2:00 p.m.

If only I could count the times I've said ... "I was a fool to take this job!!!" The yearbook has definitely been an experience. An experience that I will never forget!!! I did it because I thought it would develop self character (and it did, to a certain extent), make me more responsible (I think it did), give me a sense of leadership experience (Ha, Ha, Ha), bring me into contact with different people (yep!), and most important of all because I wanted to!

Now the question is ... "Do I regret it?" I honestly have to say through all the hassles of worrying about meeting deadlines, editing quad-packs, correcting copy, sticking within the budget, losing pictures, not having "just the right picture" and being at every event, it's the most fulfilling project I've ever done. I've never felt more successful than when we sent the last deadline to Dallas. It was definitely worth it!!!

I never could have done it without the help of my Assistant Editor Traci, Aniza, Julie, Felecia, Sheila, Amy, Kathy (and of course, David), Michael, and Kevin (please don't let me forget Gnoassatoll Werner).

Out of all these people I have to give a special thanks to Traci. Lord, what would I have done without her? The many nights I would call her at 2:00 in the morning and would ask her questions (and she would always have the answer), working all night in the quad and going to an 8:30 class the next morning, and giving me all the moral support I could possibly hold. Traci, let's not forget all the fun times we had — "The Cows," the curb at Chan's Garden, the man in the window at Litchfield, the Gray Man, preacher-lawyer, "cootchie-coo," spaghetti, pictionary, "I Heard It Through The Grapevine," KMA, your best friend (Ha, Ha, Ha), and most of all — all those beachhouses!!! I give you all the thanks in the world and without you I have to say I never could have done it!!

I also have to thank Jason, Jean, Pat, Connie and Julie for all the moral support. Without your encouragement and smiles I couldn't have made it!!!

Whenever I got down in the dumps this year I always remembered my favorite motto — When the going gets tough, get tougher, and we did and now we can honestly say this is one TOUGH YEARBOOK!!!

Cordially,

Mark Porter
